

<http://www.magazines.shonline.com>

This was a source for high quality collectable magazines for a long time in the 1990's and early 2000's. The website has been shut down because the owner decided to close his business. I kept a hard copy of the list of magazines and prices from 2004; that list follows this page. There are four (4) decade sections: 1950's, 1960's, 1970's, 1980's.

During the 1990 and 2000 time period, I purchase many collectable magazines from this source.

I have used www.magazines.shonline.com as one of my sources for pricing this collection.
